FIG. 9

A black and white photograph of a large, dense bouquet of roses. The bouquet is composed of numerous roses in various stages of bloom, some fully open and others as buds, interspersed with dark, leafy foliage. The roses are tied together with a dark ribbon that forms a bow at the base. The bouquet is resting on a light-colored wooden surface, possibly a table or a crate, with the wood grain visible. The background is a plain, light color. The overall image has a grainy, high-contrast quality, typical of older newspaper prints.
